Jacob scared of me like I'm scared of Dennis
for witchcraft
& the notes I wrote in
cows, pigs, wars & witches

for being so enthusiastic
about killing rapist meth
heads & then suddenly-
people w/ guns

he stopped coming out
of his cell - looks well
moved - he lied about it
being because he handed
Kevin a bible in the
hall (no he didn't he *knocked*
me and said good luck & expecting
that was the day I was to
leave.
Oh yeah - I probably scared
him & Dennis for that matter
w/ the same - "if I can run
3.2 miles without meth imagine
what I could do w/ it"
not that I'd need to cause
love is stronger
"Yeah I believe love is
strongest" he said
same day he also put
me in a trip about
a CS Lewis book
of taking & waiting
for a pig driven
by a dude in purple
to heaven
"I said 'oh shit now I'm dreaming
we gonna get out!'

he wanted to
'smash' my rag
reid

7/29-30
dream analysis
was watching
Stein a meth
head get some
girls
& maybe
a bear really
did come after
my parents
R.I.P. haha -
that would
be priceless!!!
besides magically
meaningful.
